

Information Corral

- Round Up is our largest PTA fundraiser and occurs annually in the fall
- Round Up is a carnival held on school grounds in the front of the school and is open to the community and kids of all ages
- Money raised from Round Up supports our teacher wish list for items that are purchased to directly benefit the classrooms during the current school year. Some past examples are:
 - Updated teaching equipment and technology tools for classrooms
 - Science equipment and supplies
 - Books and audiobooks for the library
 - Technology and literacy materials for reading support
 - Substitute teacher support and field trips for special areas
 - Musical instruments and equipment for fine arts electives
- You can help Round Up and O. Henry reach our goal with your:
 - Sponsorships - monetary donations from community businesses and O. Henry families
 - Ticket & Wristband Purchases - buy tickets or a \$25 wristband (which provides unlimited access to all booths and games) online or at the event
 - Gift of Time - Round Up is a success because of our fabulous volunteers who sign up online to work the booths in shifts throughout the event
- Food and drinks are **CASH ONLY** and vendors will open at 4:00 p.m.
- A middle school dance will take place in the gym during Round Up; dance wristbands are sold separately and can be purchased the week of Round Up during all lunches and at the door on the night of the event
