

Information Corral

- Round Up is our largest PTA fundraiser and occurs annually in the fall
- Round Up is a carnival held on school grounds in the front of the school and is open to the community and kids of all ages
- Money raised from Round Up directly supports supplemental department budgets and staff stipends along with fulfilling teacher wish lists requests for their innovative classrooms, field trips for hands-on learning and numerous other endeavors that benefit every student during this academic school year. Some past examples are:
 - Updated teaching equipment and technology tools for classrooms
 - Science equipment and supplies
 - Books and audiobooks for the library
 - Technology and literacy materials for reading support
 - Substitute teacher support and field trips for special areas
 - Musical instruments and equipment for fine arts electives
- You can help Round Up and O. Henry reach our goal with your:
 - Sponsorships - monetary donations from community businesses and O. Henry families
 - Ticket & Wristband Purchases - buy tickets or a \$30 wristband (which provides unlimited access to all booths, games, and dance) online or at the event
 - Gift of Time - Round Up is a success because of our fabulous volunteers who sign up online to work the booths in shifts throughout the event
- Food and drinks are **CASH ONLY**
- A middle school dance will take place in the gym during Round Up. The dance is included in the \$30 wristband. A separate dance wristband can be purchased for a fee if you do not purchase the \$30 wristband.
