

We Are All In This Together #MustangPride

Dear

In the classroom, on the court, or in the performance hall, our O. Henry Middle School teachers and staff are committed to educating the whole child—intellectually, socially, emotionally and physically. We all know 2020 is proving to challenge us in many ways including how we return and learn in nurturing and safe ways to our school. In lieu of our annual Round Up that typically happens every September, we are launching a fundraising drive to help support our students and faculty in the best way we can to show our Mustang Pride. The funds raised this year will go towards building safe and nurturing outdoor learning spaces and other unforeseen needs that present themselves.

Enclosed is the sponsorship form with a detailed description of the sponsorship levels, including several levels that include a prominently displayed sign on the Exposition Boulevard fence. As always, these signs will be proudly displayed for a full year and will announce your commitment to our close-knit community.

We depend on your financial support to provide what our exceptional staff needs to make O. Henry the most outstanding middle school in our community. It's the generous gifts from our parents and neighborhood businesses that make our campus what it is both in person and virtually today and what it will be in the future.

Every dollar counts during these challenging times and we are all in this together!

Sincerely,

Chris Napierkowski & Randi Bell
