

## Information Corral

- Round Up is our largest PTA fundraiser and occurs annually in the fall
- Round Up is a carnival held on school grounds in the front of the school and is open to the community and kids of all ages
- Money raised from Round Up supports our teachers wish list for items that are purchased to directly benefit the classrooms during the current school year. Some past examples include:
  - Updated teaching equipment and technology tools for classrooms
  - Science equipment and supplies
  - Books and audiobooks for the library
  - Technology and literacy materials for reading support
  - Substitute teacher support and field trips for special areas
  - Musical instruments and equipment for fine arts electives
- You can help Round Up and O. Henry reach our goal with your:
  - Sponsorship - monetary donations from community businesses and O. Henry families
  - Ticket & Wristband Purchases - buy tickets or a \$30 wristband (which provides unlimited access to all booths and games) online or at the event. Online ticket orders must be placed by Wednesday, September 22nd, 2021.
  - Gift of Time - Round Up is a success because of our fabulous volunteers who sign up online to work the booths in shifts throughout the event
- Food and drinks are CASH OR CARD and vendors will open at 4:00 p.m.
- A middle school dance will take place in the gym during Round Up
