

August 2, 2021

As with us all, Covid-19 has had an impact on the students, teachers, and staff at O. Henry Middle School. However, even with these unpredictable and challenging times, our O. Henry Middle School teachers and staff continue their commitment to educating each child—*intellectually, socially, emotionally and physically*, whether they are in the virtual classroom, in the school building, on the court, or in the performance hall. While there is still a lot of uncertainty, the O. Henry Parent Teacher Association knows that we need to adapt to our changing reality. Now more than ever, the O. Henry Middle School community needs your support.

Your donation makes an imprint on each student. Sponsorships directly support the school by supplementing department budgets, providing staff stipends for school supplies, getting necessary air filters for classrooms, and by enabling each teacher to create an innovative classroom. We depend on your financial support to provide what our exceptional staff needs to make O. Henry the safest and most outstanding middle school in our community.

If you are able, please make a monetary donation and join us as a sponsor for our annual Round Up Fundraiser. Enclosed is the sponsorship form with a detailed description of the sponsorship levels, including several levels that include a prominently displayed sign on the Exposition Boulevard fence. As always, these signs will be proudly displayed for a full year and will announce your commitment to our close-knit community.

In times like this, we are reminded of how interconnected we are. We thank you for your support and for being a part of our community. Without the generous gifts from our parents and neighborhood businesses, the O. Henry PTA could not achieve its mission and value statement.
