

# 2026 MUSTANG MIXER + CORNHOLE TOURNAMENT

Zilker Lodge | April 24, 2026 4:30p-7:30p

The Mustang Mixer brings parents & faculty together for a fun evening, and your support helps O. Henry thrive. As O. Henry begins an exciting chapter of modernization, the Mustang Mixer helps fund important campus needs not covered by the bond.

## CAMPUS IMPROVEMENTS THAT MATTER

### • Relocating Our Campus Goats

The goats' current space will be impacted by construction, so we are creating a permanent new home for them, including fencing, materials, and setup to ensure they are safely housed, moving forward.

### • Library Improvements

Continuing to enhance the library, the "living room" of our campus, with modern, flexible furniture that fosters collaboration and creates a more welcoming, student-centered space.
